

NAME OF THE SOCIETY

Czech Society of Clinical Biochemistry

Will the <u>National Representative</u> of your National Society be the same for the year 2014	?
Czech	?

Note: Names of the President and National Representative will be known after voting – new board of the National Society of Clinical Biochemistry will be constituted in spring 2014. Nevertheless, Prof. Zima, present president of the Society, became a rector of the Charles University and does not want to stay as a candidate for the function of President.

National meetings		
Name of the meeting	Date	Topic
RANK 2013	30 th – 31 st January 2013, Pardubice	Routine analysis of nucleic acids by molecular biological methods
Patient Safety – EFLM Symposium	12 th – 13 th April 2013, Prague	Problems of patient safety in clinical laboratories
XXXIV th Immunoanalytical Days	14 th – 16 th April 2013, Pilsen	Biomarkers, tumour markers, immunoanalysis in endocrinology, vitamin D, personalized medicine, quality control
INDC2013 – 12 th International Nutrition & Diagnostics Conference	26 th – 29 th August 2013, Olomouc	Nutrition and human health
Atherosclerosis 2013	11 th – 13 th September 2013, Prague	Atherosclerosis – diagnostics, treatment and prevention in adults and children
XI th Congress of the Czech Society of Clinical Biochemistry with international participation	22 th – 24 th September 2013, Olomouc	Advances in clinical chemistry and laboratory medicine
XII th Conference on Monoclonal Gammopathy	8 th October 2013, Hradec Kralove	Monoclonal gammopathy

Education

Co-operation on study programs at Faculties of medicine, cooperation with Institute of Postgraduate Studies in Prague.

Co-operation with Ministry of Health in transformation of postgraduate education of medical doctors: Medical Faculties have been responsible for this education (instead of Postgraduate Studies in Prague) since the beginning of the year 2012.

Active participation of the project Lab Tests Online – education of patients and their relatives as well as non-laboratory workers in health care in problems of laboratory medicine; finalization of translations (see web pages: <http://www.labtestsonline.cz>). All items from US web pages were translated and are available for Czech readers. Prof. Racek participated as a national Lab Tests Online editor on the Meeting of National LTO editors (Berlin, Germany, 2nd – 3rd May 2013) and at the Editors Meeting during AACCC Annual Meeting (Houston, Texas, 31st July 2013).

Regional meetings

<i>Name of the meeting</i>	<i>Date</i>	<i>Society's contribution for the meeting*</i>
5 th Central-Moravian Regional Days	24 th – 25 th January 2013, Kouty nad Desnou	Varia
Working day	13 th February 2013, Olomouc	Biochemical and molecular biological examinations in oncology
Regional meeting of clinical biochemists – West Bohemia	21 st March 2013, Karlovy Vary	Varia
Working day of section of laboratory technicians	10 th April 2013, Prague	Varia
Working day Nejedly's Kladno	17 th April 2013, Kladno	Clinical chemistry and critically ill patient
Working day	22 th May 2013, Olomouc	Biochemical examinations in cerebrovascular diseases
31 st Regional meeting of clinical biochemists (South and Eastern Bohemian region)	2 nd – 4 th June 2013, Zdar nad Sazavou	Interdisciplinary cooperation
Regional meeting of Moravian-Silesian Region	June 2013, Zemanice	Varia
Working day of section of laboratory technicians	6 th November 2013, Prague	Varia
Working day	13 th November 2013, Brno	Problems of toxicological examinations
32 nd Regional working days of clinical biochemistry	4 th – 6 th December 2013, Karlova Studanka	Varia

*Czech Society of Clinical Biochemistry was the principal guarantor of all regional meetings.

Regional relations

-

International relations

- Our representatives (Prof. Zima and Prof. Racek) participated at 6th EFLM General Assembly in Milan (Italy, 19th October 2013) during the EuroMedLab Congress 2013
- Prof. Racek participated at the EC4 Register Commission in Paris (France, 13th November 2013)
- Prof. Jabor was elected for a first term as member of IFCC Committee on Nomenclature, Properties and Units (C-NPU)
- Prof. Zima worked as Member-at-Large, EFLM Executive Board and was re-elected for the following two years.
- Prof. Zima worked as corresponding member of IFCC Congress and Committee.
- dr. Kocna worked in Committee on internet and e-learning committee of CPD IFCC
- Ing. Sprongl worked as a corresponding member of the EFLM Working Group on Preanalytical Phase (WG-PA) and a corresponding member of working group on Accreditation and ISO/CEN Standards
- Czech Society of Clinical Biochemistry applied to host the IFCC/EFLM European Congress of Clinical Chemistry and Laboratory Medicine (EuroMedLab) in 2017 (in Prague).

Additional information

- Approval of joint national guidelines (Czech Society of Clinical Biochemistry and Czech Oncological Society) "Utilization of Tumor Markers in Clinical Practice" (May 2013).
- Czech Society of Clinical Biochemistry along with the Czech Society of Nephrology started to update guidelines "Diagnostics of chronic kidney diseases – estimation of glomerular filtration rate and examination of proteinuria".
- Translation of the last 16 tests and 5 diseases and conditions (which were introduced in US web pages www.labtestsonline.org) in frame of Czech version of the project Lab Tests Online www.labtestsonline.cz; revision of the first 97 test articles, introduced in 2008.
- Editing the national scientific journal "Klinicka biochemie a metabolismus", co-editing journal "FONS", publishing news in clinical biochemistry and activities of the Czech Society of Clinical Biochemistry.
- Expert guaranty of EQA system on Czech Republic.
