

NAME OF THE SOCIETY

_____ **Czech Society of Clinical Biochemistry** _____

<p>Will the <u>National Representative</u> of your National Society be the same for the year 2015</p>	<input type="checkbox"/> YES <input checked="" type="checkbox"/> NO
<p>If NO please give new contact name, address, e-mail, phone and fax numbers</p> <p>Prof. Richard Průša, MD, PhD Dept. of Medical Chemistry and Clinical Biochemistry University Hospital Motol V Úvalu 84 CZ-150 06 Prague 5 phone: +420 224 435 300 e-mail: richard.prusa@lfmotol.cuni.cz</p>	
<p>Will the <u>President</u> of your National Society be the same for the year 2015</p>	<input type="checkbox"/> YES <input checked="" type="checkbox"/> NO
<p>If NO please give new contact name, address, e-mail, phone and fax numbers</p> <p>Prof. Jaroslav Racek, MD, DSc. Inst. Clin. Biochem. & Hematol. Charles University Hospital Alej Svobody 80 CZ-304 60 Pilsen phone: +420 377 104 233 e-mail: racek@fnplzen.cz</p>	

National meetings		
Name of the meeting	Date	Topic
RANK 2014	29 – 30 January 2014, Pardubice	Routine analysis of nucleic acids by molecular biological methods
Laboratory investigation in transplantology	23 April 2014, Olomouc	Problems of laboratory tests in transplantology
BIOLAB 2014	25 – 27 May 2014, Ostrava	National meeting of laboratory technicians
INDC 2014 – 14 th International Nutrition & Diagnostics Conference	2 - 5 September 2014, Praha	Nutrition and human health
Atherosclerosis 2014	10 - 12 September 2014, Prague	Atherosclerosis – diagnostics, treatment and prevention in adults and children
FONS 2014	21 - 23 September 2014, Pardubice	Advances in clinical chemistry and laboratory medicine
XIII th Conference on Monoclonal Gammopathy	14 October 2014, Hradec Kralove	Monoclonal gammopathy
Laboratory investigation in diabetology	1 October 2014, Ostrava	Problems of laboratory testing in diabetology

Education
<p>Co-operation on study programs at Faculties of medicine, cooperation with Institute of Postgraduate Studies in Prague.</p> <p>Co-operation with Ministry of Health in transformation of postgraduate education of medical doctors: Medical Faculties have been responsible for this education (instead of Institute of Postgraduate Studies in Prague) since the beginning of the year 2012.</p> <p>Active participation on the project Lab Tests Online – education of patients and their relatives as well as non-laboratory workers in health care in problems of laboratory medicine; finalization of translations (see web pages: http://www.labtestsonline.cz). All items from US web pages were translated and are available for Czech readers.</p> <p>National E-learning project on clinical biochemistry “E-biochemistry” for students of medical schools (40 chapters, multimedial, bilingual) finished and finalized in 2014.</p>

Regional meetings		
Name of the meeting	Date	Society's contribution for the meeting
7 th Central-Moravian Regional Days	23 – 24 January 2014, Kouty nad Desnou	Varia, Czech Society of Clinical Biochemistry was the principal guarantor
Regional meeting of clinical biochemists – West Bohemia	20 March 2014, Plzen	Varia, Czech Society of Clinical Biochemistry was the principal guarantor
Working day of section of laboratory technicians	9 April 2014, Prague	Varia, Czech Society of Clinical Biochemistry was the principal guarantor
Regional conference Nejedly's Kladno	16 April 2014, Kladno	Clinical chemistry and complex diagnostics, Czech Society of Clinical Biochemistry was the principal guarantor
Working day – prof. Kazda meeting	4 June 2014, Prague	Biochemical examinations in critically ill patient, Czech Society of Clinical Biochemistry was the principal guarantor
32 Regional meeting of clinical biochemists (South and Eastern Bohemian region)	22 – 23 May 2014, Písek	Interdisciplinary cooperation, Czech Society of Clinical Biochemistry was the principal guarantor
Regional meeting of Moravian-Silesian Region	9 – 10 June 2014, Zemanice	Varia, Czech Society of Clinical Biochemistry was the principal guarantor
Working day of section of laboratory technicians	8 October 2014, Prague	Diabetes mellitus, Czech Society of Clinical Biochemistry was the principal guarantor
Working day – 5 Písek meeting	6 - 7 November 2013, Pisek	Medical doctor in clinical biochemistry lab, Czech Society of Clinical Biochemistry was the principal guarantor
33 Regional conference of clinical biochemistry	3 – 5 December 2014, Karlova Studanka	Varia, Czech Society of Clinical Biochemistry was the principal guarantor

Regional relations

International relations

- Our representatives (Prof. Zima and Prof. Racek) participated at EFLM General Assembly
- Prof. Racek participated at the EC4 Register Commission
- Prof. Zima worked as Member-at-Large, EFLM Executive Board
- Prof. Zima, prof. Jabor, prof. Prusa, Dr. Kocna, Dr. Kotaska, Dr. Cibicek, Dr. Rajdl and Ing. Sprongl worked as members of various IFCC and EFLM committees and working groups

Additional information

Approval of six various national guidelines in 2014:

- Doporučení k výpočtu nejistot kvantitativních výsledků měření v klinických laboratořích (Analytical calculations)
Doporučení o laboratorním screeningu vrozených vývojových vad v prvním a druhém trimestru těhotenství (First and second trimester laboratory testing in pregnant women)
Diabetes mellitus - laboratorní dignostika a sledování stavu pacientů (Diabetes mellitus – lab testing)
- Doporučení: Systém externího hodnocení kvality (External quality control)
- Doporučení k použití, výběru a kontrole glukometrů (Implementation of glucometres)
- Doporučení k diagnostice chronického onemocnění ledvin (Diagnostics of chronic kidney diseases – estimation of glomerular filtration rate and examination of proteinuria)
- Editing the national scientific journal “Klinicka biochemie a metabolismus”, co-editing journal “FONS”, publishing news in clinical biochemistry and activities of the Czech Society of Clinical Biochemistry.

Expert guaranty of EQA system in Czech Republic.
